June 8, 2020

Dear East San Gabriel Valley ROP/TC Student Community,

I would like to take the time out to thank you for your tenacity and eagerness to continue learning during the unprecedented COVID-19 pandemic. For more than thirty years the ESGVROP/TC has been offering and providing high quality career training programs for adults in order to assist them in preparing for their future. It is with regret that I inform you that after June 30, 2020, the East San Gabriel Valley ROP/TC will no longer be enrolling adult students or providing career training courses for adult students.

If you were unable to complete your training prior to the COVID-19 pandemic, we will provide you with your options which may include assisting you in finishing your course with North-West College. While we realize that this news is unsettling, we are committed to helping you reach your finish line in any way possible, and will keep in communication with you and your instructor in order to guide you to completion. The ultimate goal of the ESGVROP is to see you successfully reach your goals and objectives and we consider it an honor to be a part of that process.

Please expect to receive a call from our Post-Secondary Division that will provide you with information specific to your program in the near future that will detail how and where you will complete your training.

Sincerely,

Sherryl Carter, Ed.D.,
Superintendent
