

Women's Health and Cancer Rights Act of 1998

As required by the *Women's Health and Cancer Rights Act of 1998*, Covered Services are provided for a mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Covered Services in connection with a mastectomy, benefits are also provided for the following Covered Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance, including coverage for nipple and areola reconstruction (including re-pigmentation) to restore physical appearance of the breast, and chest wall reconstruction with aesthetic flat closure; and
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Services (including Copayments and any annual deductible) are the same as are required for any other Covered Service. Limitations on benefits are the same as for any other Covered Service.
